

Birdsong Nature Center

Spring Plant Sale – April 6th, 2024

✿ Please join us this Saturday, April 6th, from 9am-to-1pm, for Birdsong's final Spring Plant Sale of 2024!

✿ We have some wonderful plants for you, and the following are just some examples: an array of beautiful healthy native trees and shrubs (dahoon hollies, Shumard oaks, tulip poplar, redbud, bald cypress, Florida anise, coontie palm, and some highbush blueberries), a collection of lovely wild azalea cultivars and natives (Tallulah Sunrise, Phlox Pink, Earl's Gold, *Rhododendron canescens* and *R. austrinum*) and a wide variety of native perennial and pollinator plants (rue anemone, jack-in-the-pulpit, several native iris, birdsfoot violet, columbine, coral honeysuckle, fringed campion, wild white indigo), and some gorgeous non-native perennials (several kinds of begonias, Korean chrysanthemum, blue butterfly bush, lemongrass, agapanthus, ferns, and African false hostas in bud).

✿ These plants are listed just to give you an idea of what we have – there are many other desirable species and varieties in each category!

✿ Admission to the Center is free that day. Please come and enjoy the plant sale and then go for a walk to see some early spring wildflowers!

✿ For more information call 229-377-4408 or email birdsong@birdsongnaturecenter.org.
